

## SAHPRA Test Documentation

### Version Information:

Version: V1.7.4

Version Group: Main Release

Category: Feature Release

Description: Introduction of new capabilities and features that enhance user experience and system functionality. Focuses on value addition.

### Ticket Information:

Ticket ID: 45943196

Title: [HPA Renewals] - Update Renewal pricing

Ticket Created: 2025-10-24 08:32:48

### Testing Information:

Environment: Development

Test Types: Functional, Integration

### Tester Information:

Tester: Louis-Willem van Niekerk

Date: 2025-10-29 00:44:28

### Test Description:

Tested to see if the pricing was changed to limit to the first three masters with all included duplicates, and charging the mainline strength's duplicates the same as the mainline master. The other masters and duplicates should be charged the smaller fee. A total of 5 master strengths, only the first three masters and their duplicates was charged as needed

### Feature Implementation:

The new feature has been fully implemented and works as expected.

**Evidence:****Title: Master Strengths**
